FOR IMMEDIATE RELEASE PLAYGROUND IMPROVEMENTS PLANNED FOR BLOOMINGTON'S AYALA PARK

SAN BERNARDINO – With unanimous approval from Vice Chair Josie Gonzales and her colleagues on the county's Board of Supervisors playground renovations will soon get underway at Ayala Park in Bloomington.

The project will bring the park playground into compliance with current safety and handicap accessibility codes as well as include repainting of some existing equipment, installing new play systems and a new play surface material.

In the future, the basketball court at Ayala Park will be resurfaced and a surveillance camera will be installed to deter vandalism.

"Encouraging our families to be active and stay healthy and fit, we must provide them with safe, attractive environments that encourage fun, physical activity," said 5th District Supervisor Gonzales.

"As we enhance these recreational areas in our unincorporated communities we enable residents to better enjoy their neighborhoods while feeling a greater sense of community involvement and pride," said Gonzales.

Improvements are slated to begin early to mid-February and completed by early March. The playground area will be closed periodically during the renovation.

-end-

The Fifth District includes the unincorporated areas of Bloomington, Muscoy, North Norton, El Rancho Verde, and Arrowhead Farms, the City of Rialto, major portions of the cities of Colton and San Bernardino, and the eastern portion of the City of Fontana.
